Beginnings

In 1998, God brought a couple of guys together in Millet that had been hosting music outreach ministry for a number of years. They gathered together a group of interested folks that tapped into our treasure chest of Country Gospel artists. And so *Concert in The Country* was birthed with the first concerts being held outdoors at "The Bowl" in August 1999. Because of our unpredictable weather and of course those pesky mosquitoes, The Town of Millet and The Ag Society generously made the Millet Agriplex available.

Our mission is to present the gospel and teachings of Jesus Christ through word and song so that all people may be strengthened in their walk with Jesus Christ.

Our ministry is a faith ministry depending on the generous free-will offerings and contributions of all those who attend our concerts as well as the love and commitment of our many volunteers and sponsors. We trust that these offerings will enable us to cover our costs and provide opportunities for future ministries.

Our 2019 festival is a three-day event in which we invite a number of artists to come and share with us the talents that God has so graciously given them.

**MC & Artist
Ben Kellert**
(Killam, AB)

Ben's music and ministry very clearly demonstrate His love for God and his passion for others. Ben is pastoring at Killam Pentecostal Church and along with his wife Tammy, has a deep desire to see souls reached for the Kingdom of God. Being a licensed Auctioneer has opened some unique doors for ministry as well.

Ryan Fengstad
(Leduc, AB)
Friday Evening MC

Ryan Fengstad (*Aspiring Motivational Speaker*) – In August 2017 I picked up the pieces of my broken life and turned it over to Christ. Now I'm shining like a star! It's possible for anyone to go from zero to hero, choose life!

Canada's Double Portion (North Battleford, SK)

Canada's Double Portion from North Battleford, SK is a unique group in many ways. This 5 piece Gospel band is made up of entirely one family including parents Duncan & Debbie Hemmerling and 8 of their 10 children. Juggling homework and musical instruments is a daily routine for the Hemmerling children. They trade in riding the school bus for riding across the country in Canada's Double Portion tour bus for almost half the year. They are thankful for every opportunity they have to share the Gospel!

Revive Gospel Singers
(Edmonton, AB)

Revive Gospel Singers began its roots in January of 2007. Our primary goal as Revive Gospel Singers is to serve God and to present the gospel message through song to touch lives and encourage people to seek the Living God.

Three and Company
Leduc, Edmonton, AB

Three and Company is a contemporary southern gospel trio from Alberta, Canada with smooth harmonies and songs to uplift and encourage the church body. They have been singing together as a trio since 2000. The group is a Member of Canada's Gospel Music Association.

Crimson River (Peace River, AB)

Over the past nine years God's plan for **Crimson River** has unfolded. Like the building of a puzzle, seven people came together to form a

beautiful picture of God's will. Family isn't always blood...God longs for all His children to seek him, to come home, to be part of His family. Wherever God leads us we will go. We love to share God's message of love through song.

Visions Country Gospel (Red Deer, AB)

A Country Gospel Group with an attitude of gratitude and fun, began in April of 2001. Good old songs presented in a refreshing way, some original tune's and a mix of

entertaining personalities. Since **Visions** beginning, the group has performed extensively throughout Alberta. Part of their purpose is to entertain at hospitals, nursing/seniors homes and for those less active and fortunate than us.

The Fehr Family (Edmonton Area)

The Fehr Family – We are a family band who love working together to glorify God with our music. Our style blends family harmonies and acoustic instruments with a range of genres, from good old-fashioned hymns, to classical, to Southern Gospel, to bluegrass. We arrange much of our

own music. Our goal is to praise God's wonderful goodness and power as we share the beauty of who He is and what He has done for us. We are based out of the Edmonton area in Alberta, Canada. Music has always been part of our family, and we've been playing together as a family since 2015.

Trevor Toews
(Edmonton, AB)

Trevor Toews – In hind-sight, I began receiving, and writing, songs from the Lord since He got a hold of me back in 1980. It wasn't until March of 2018 that I began developing these songs into what they are today.

They have become special because they remind me of the times and ways that the Lord has burst upon my life, and helped me to grow closer to Him. I love singing them for anybody who will listen, and I love to see hearts warmed and encouraged to walk closer with the God of the universe who loves them very much. I am a member of Canada's Gospel Music association, and had one of my songs nominated in 2018 for Best Southern Gospel Song of the Year. I look forward to meeting you and a friend at this year's Concert in the Country in Millet, Ab.
