Concert in the Country

BEGINNINGS

In 1998, God brought a couple of guys together in Millet that had been hosting music outreach ministry for a number of years. They gathered together a group of interested folks that tapped into our treasure chest of Country Gospel artists. And so *Concert in The Country* was birthed with the first concerts being held outdoors at "The Bowl" in August 1999. Because of our unpredictable weather and of course those pesky mosquitoes, The Town of Millet and The Ag Society generously made the Millet Agriplex available.

MISSION

Our mission is to present the gospel and teachings of Jesus Christ through word and song so that all people may be strengthened in their walk with Jesus Christ.

FAITH MINISTRY

Our ministry is a faith ministry depending on the generous free-will offerings and contributions of all those who attend our concerts as well as the love and commitment of our many volunteers and sponsors. We trust that these offerings will enable us to cover our costs and provide opportunities for future ministries.

24th YEAR

Our 2022 festival is a three-day event in which we invite a number of artists to come and share with us the talents that God has so graciously given them.
